

NRASC

NSW REGISTRATIONS

As a member of a club affiliated with NSW Swimming it is necessary that you become member of NSW Swimming

This is most important as a portion of your NSW Swimming membership covers your Public Liability Insurance Policy

To do this:

NEW MEMBERS:

To enable your membership payments to be paid to NSW Swimming it is first necessary that you create an account with them:

Firstly: log on to the NSW Website

nsw.swimming.org.au

Then: click onto the “Members Log On” Icon and create an “email address” and “password” (not related to your other private passwords) and advise Secretary of both

Finally: you may then enter the site and add your personal details

EXISTING MEMBERS:

Your initial email address and password that you used to create your account will remain active until such times you wish to make a change

Once again it is important that if you do change either of these (email address or password) to advise Secretary who will need this information to keep your account up-to-date and your ‘Insurance Cover’ active.

It is recommended that ALL payments be paid via NRASC who will then re-direct the NSW Swimming component to them as required
